The creator and founder of Men's Fraternity,™ Robert Lewis is passionate about helping men discover the biblical principles of authentic manhood. Developed in 1980, Men's Fraternity™ meets the needs of men who are hungry for more than can be offered by a one-time manhood rally. Since its inception, Men's Fraternity™ has grown into a significant area of ministry that today reaches countless men worldwide in churches, on college campuses, in corporate board rooms, and in prison cell blocks via audio and video.

Robert has authored a number of books including *Building Teamwork in Your Marriage* (Word); *Rocking the Roles – Building a Win-Win Marriage*, which he co-authored with William Hendricks (NavPress); *Real Family Values* (Multnomah); *Raising a Modern-Day Knight* (Focus on the Family); and *The Church of Irresistible Influence* (Zondervan). He is also a contributing author to *Building Strong Families* edited by Dennis Rainey and *Faith Factor in Fatherhood* edited by Don Eberly. In addition, Robert has been featured on radio programs such as "FamilyLife Today" and "Focus on the Family," and in a number of magazines including *Leadership*, *Real Man*, and *Stand Firm*.
